

We are here for **you** **your business** **the self-employed**

IPSE is the unified voice and support system for the self-employed.

Through tailored membership resources and perks, insurance plans, and political campaigning, we make the world of self-employment fairer, more stable, and safer to navigate.

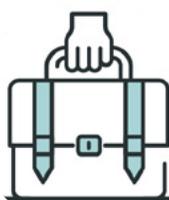

For you

An IPSE membership offers you access to tax and legal helplines to calm any worrying thoughts, as well as wellbeing services through our partners. We also offer events, awards and networking opportunities so you never feel alone.

For your business

We want your business to succeed. An IPSE membership offers tax investigation cover and so much more, including up to £10,000* in cover if a client, umbrella company or agency goes into administration.

For the self-employed

Our award-winning policy work is just one of the ways we work behind the scenes for you and your business. From successfully campaigning for the Self-Employment Income Support Scheme, to meeting with the Prime Minister to campaign for the self-employed, IPSE is always working hard on your behalf.

Protect your business from just £8.50/month
